

POSTCARDS FROM NEW ZEALAND

Covid-19-inspired innovations are living on including Auckland Festival of Photography's YouTube channel, Postcards from New Zealand. Launched last year as a solution to the restrictions of a global pandemic, the tradition continues this year, enabling artists from all over the country to participate regardless of their location. Postcards from New Zealand includes artists' work, talks and webinars by photographers throughout the country and provides you with the opportunity to explore New Zealand photography without ever having to leave the comfort of your couch — or better yet, your bed. New content is being added regularly over the next month so there's always a reason to check back in.

On now until August 12. See photographyfestival.org.nz for a link or go directly to YouTube and search for the Auckland Photo channel.
