About the Festival:

Auckland Festival of Photography is a city-wide contemporary art and cultural event which takes place within Auckland's major galleries, project spaces, non-gallery venues and public sites during June each year. The programme includes a mix of emerging and established artists and comprises existing works and creation of new work. Annually the Auckland Festival of Photography is produced by the Auckland Festival of Photography Trust. The Trust is a not-for-profit charitable trust working to further the presence and awareness of photography in Auckland through joint programming, audience development and profile raising activities.

Auckland Festival of Photography Trust - Goals and Objectives:

- Support and encourage local emerging photographers to develop and exhibit their work to the public in Auckland.
- Promote region-wide community partnerships and participation.
- Maintain partnerships with relevant arts and cultural organisations and individuals in the art education and private sectors to facilitate the presentation of photography.
- To engage a wide range of photographic arts stakeholders including public and commercial galleries and mainstream and cutting edge professional, exhibiting artists.
- To provide open-access programmes that may include "Auckland Photo Day" and "Auckland Photo Blog" - online digital archive.
- To represent cultural diversity through photographic exhibitions.
- To strengthen regional identity and assist the development of cultural tourism in the region.

If you have any further questions please contact the Festival office on: +64 9 307 7055
